November—December 2013 Saturday Mornings Financial Management Series

The participants in the Financial Management Class Series are informed of the steps needed to enable home ownership and given helpful tools and group support to help reach financial goals. Participants discover they are not alone. Goals are set and monitored and continual feedback and encouragement flows from the group. Small successes are celebrated and built upon. Members are encouraged to take one step at a time in reaching their goals and experience freedom and control in money management.
