Sample Planned Giving Testamentary Language

If you are thinking towards your future, keep ICCF in mind. Donor gifts supporting ICCF typically come from discretionary income, but planned gifts come from a donor's assets such as stock, real estate, artwork or personal property. You may use these to benefit ICCF in your *Simple Will* bequest or *Revocable Living Trust*.

The following is a sample of testamentary language you may wish to use in creating a Simple Will bequest or Revocable Living Trust inclusion to benefit ICCF.

General ICCF Contribution

If you wish to designate your gift to ICCF, consider using this sample language:

"I wish to remember Inner City Christian Federation (ICCF) of Grand Rapids, Michigan, a qualifying not-for-profit IRS Code 501(c)3 organization with a gift in the amount of \$_____, or a designated percentage of _____% of my charitable estate, for its general uses and purposes."

Program Specific ICCF Contribution

If you wish to designate your gift to a specific ICCF program or service, consider using this sample language:

"I wish to remember Inner City Christian Federation (ICCF) of Grand Rapids, Michigan, a qualifying -for-profit IRS Code 501(c)3 organization with a gift in the amount of \$_____, or a designated percentage of _____% of my charitable estate, to support (insert name of program or service here)."
